We have not heard a good word for the Dispatch for so long a time that the majority, yea, a large majority of mankind regrets that it was ever published.

The ladies are organizing the State by counties for the purpose of raising funds for the Gobel monument. The County Chairmen in this section of the State who have accepted are as follows:

Adair—Mrs. Rollin Hurt.

Barren—Mrs. Jas. M. Richardson.

Green—Miss Vevian Durham.

Hart—Miss Mamie Hubbard.

Taylor—Miss Maggie E. Collins.

Mrs. C. C. McChord is the Chairman of the society.

Capt. J. S. Chapman, who sold his farm in this county a short time ago bought last week, an elegant home in Barren county, near Cave City. Mr. Chapman bought a neat little farm of 50 acres paying \$100. per acre for 10 acres and \$35 per acre for the rest. We wish him well in his new home, but regret that he prefers Barren county instead of Adair.

The town council last Thursday night employed Mr. George Coffey as Town Marshal and George is now seen on our streets with a marshal's badge pinned to the lapel of his coat. We do not know of a better man for this responsible position and we predict that there will be less disorder in this town than there has been on some occasions in the past. Those who are disposed to transgress our laws had better keep quiet or they will fall into the custody of a Town Marshal and be forced to face stern justice.

The City Fathers have just employed a town Marshal which is a step in securing better order, but we believe that a few lights on the main streets and corners would add to the convenience and comfort of the town people, and assist the Marshal in the effective discharge of his duties. It would not cost much to light the town, using the lights till 10 o'clock. Columbia has never had a mayor or council that has dispelled the darkness of night, and it seems to us that the set of gentlemen who are paddling the canoe, have a great field to show their ability in materially benefitting the town. Light us up.

Mr. N. M. Tutt, of this city, who devotes a small portion of his time to the breeding and training of fox hounds and who takes more pride in owning a fast dog than any other man in this section, received a letter from a gentleman in Taylor county last week, asking the price of a pup. The infant fox chaser was priced at \$25.00 but as yet Mr. Tutt has not been notified that it will be accepted. If the deal is made the pup will be shipped to Ohio and the party who will own him can say when he leads the pack, "He was bred in old Kentucky." The pup is cheap at \$25, for he is bred to go to the front. This price is made on the open market for if there was a "dog trust" formed this same little dog would cost at least \$50.

Mr. Geo. Lee, of Campbellsville, and Mr. H. F. Fuiks, of this place, bought the stage line from Mr. J. B. Barbee last week. They will take charge of the line some time this week. Mr. Lee will attend to the business in Campbellsville, while Mr. Fuiks will look after it on this end. They paid \$1400 for the entire outfit consisting of an extra good stage, buss, 13 head of horses, harness and feed. Messrs. Lee & Fuiks are good business men and we venture that the travel between this place and the Railroad will have the very best attention given. This business has been under the management of Barbee Bros., for several years who made a success of it as a business and whose interest in the comfort and convenience of their patrons was kindly manifested.

## RESOLUTIONS OF RESPECT.

The action of the session of the Presbyterian church in regard to the death of Milton E. Wilmore:

It is with profound sorrow that we record the death of our brother, Milton E. Wilmore, which occurred at his residence in this county on Sunday, evening, February 4th, 1900.

The deceased was a man of great piety and carried his religion into the every day affairs of life.

He was a diligent reader of the scriptures and he read and studied with a discerning mind and heart.

He was zealous in all good works for the advancement of the church of Christ.

In a quiet unostentatious way his life was one of great usefulness, and its influence will continue even after his name is forgotten.

Resolved:—That by his death this Session has lost a Wise and Prudent Counselor, the church a faithful and devoted member, and the community and county in which he lived a most excellent man and citizen.

Resolved:—That we extend to his family our sincere sympathy in their great bereavement, and we pray that God's hand may lead them, as it led him whom they mourn.

Resolved:—That a copy of these resolutions be spread upon the minute book of the Session in memory of our deceased friend and brother.

By order of the Session.  
Feby., 14th 1900

## Tribute of Respect.

Bro. W. Joe Sherrill was born Sept. 10th 1878, was converted at the age of 15, joined Gradyville Baptist church, was baptised by Rev. Granville Dockery.

He had his ups and downs, but was renewed some 18 months ago, and since that time lived a Christ-like life until his death Feb. 8th 1900.

He suffered untold agonies with that dreadful disease consumption, but he bore it with much patience, died as a Christian dieth, with the shout of victory on his lips. He leaves a father mother and several brothers and sisters to mourn their loss. Afflictions are good for us, so says the Psalmist. It is good for me that I have been afflicted; that I might learn thy statutes. Affliction help us to get closer to God. They carry us through the refiners fire that we may be better fitted for the Master's use, here is one more link to bind our hearts to Heaven, loved ones let us strive hard to follow Christ, for it will not be long until we will have a grand reunion on the other shore where parting with loved ones will be feared no more.

W. B. CAVE.

## A Good Citizen Dead.

Last Monday morning the spirit of our worthy townsman, Mr. N. G. Butler, took its flight to that bourn from which no traveler has ever returned.

Mr. Butler had been in delicate health for many months and for the last few weeks his death had been expected at any time. He was born and reared in this county and had reached the ripe age of 71 years. He served in the Union army under General Hobson and was first Lieutenant in his company. He was a member of the Christian church of this town, and by his request the funeral services were conducted by Rev. F. C. Shearer, a Christian Minister to whom he was much attached. The body was laid to rest yesterday, Tuesday, at 10 o'clock, in the Butler burying ground about two miles from Columbia. One son and several brothers and sisters survive him to whom we extend our sympathy in this their bereavement.

It seems to us that some effort ought to be made by the people of this town and county inviting the proposed Green River Valley Railroad to build through this town. We do not know whether or not the road will be built, but out of so many rumors and surveys it seems that one road ought to be established. But it is not good policy or business, to lay still and treat this great enterprise with indifference, simply because others have surveyed the same route and failed. It is not good business to go to sleep, so to speak, with this direction tacked over our bed: "Let the first whistle awake me." The fact is while we sleep its promoters may go another route, too far off for the whistle to arouse and this town and community see its business pulled to the North and to the South. We believe that a road will be built through this section in the direction of Nashville, but whether it will come via, Columbia is unknown. That should be the duty of the business and enterprising men of this community to ascertain and to offer such inducements as can be secured. We believe it better policy to make an effort in trying to get a road than to save our efforts and lose one.

The Don't Worry Club, composed of a number of Columbia's popular young men, treated their lady friends royally last Saturday evening. A reception was held at the Hancock Hotel from 8 to 12 o'clock—the most elegant and enjoyable affair since the social season opened. The parlors were handsomely decorated, and the young ladies never looked more charming nor were the young gentlemen ever in a higher state of cultivation. The supper was a magnificent affair, an honor to the ones who gave it, a credit to the Hancock Hotel, and certainly pleasing to all who participated. Delightful music was rendered at intervals and many games indulged in. Those present were:—Misses Minnie Kemp, Effie Bradshaw, Lorena Pile, Addie Tate, Carrie Hatcher, Lula White, Julia Smith, Pauline Cabell, Emma Dunn, Willie White, Mont Walford, Augusta Montgomery, Sallie Ray Marcum, Sallie Montgomery, Fannie Stults, Delie Mitchell, Lillie Powell; Messrs. ## KELTNER.

I take great pleasure in writing to the News and in stating that I have been a Democrat all along the line, but never so strong until I moved into this Republican stronghold. It seems to me that all men who claim to be Democrats should now unite and stand firm for the great principles of Democracy and good and orderly government. Some Republicans seem to rejoice over the death of Gov. Gobel and the Democrats has claimed for a good while that he was called to preach. It must to have been some one else called and he answered. One Republican said he was not going to take the lying paper any longer—he is taking the Commercial. I have heard a good many Brown Democrats say that they wished they had voted for Mr. Gobel. I believe that Governor Beckham will restore peace and give us a clean and able administration.
